

## Acknowledgements

---

Throughout 2007, '08, and '09 the South Fork American River Watershed Group worked in cooperation to develop this Watershed Plan. Support for and participation in this effort came from diverse organizations including: State, federal, regional and local agencies, utilities, environmental groups, agriculture, business, recreation, tribal interests and the general public.

Special thanks are due to all participants, for the time invested and the expertise provided into this planning process.

### Planning Participants

Sue Britting  
*Center for Sierra Nevada Conservation*

Elizabeth Betancourt  
*El Dorado Irrigation District*

Karen Buhr  
*California Resource Conservation District*

Katie Burdick, Executive Director  
*CABY Regional Entity*

Mark Egbert, Director  
*El Dorado County/Georgetown Divide Resource Conservation District*

Bill Hetland, GM  
*El Dorado County Water Agency*

Robert Columbro  
*Shingle Springs Rancheria*

Tera Curren  
*United States Forest Service*

Joe Davis  
*Sacramento Municipal Utility District*

Elena DeLacy  
*American River Conservancy*

Rhonda Dickerson  
*Shingle Springs Rancheria*

Tracey Eden-Bishop  
*El Dorado County Water Agency*

Patricia Gaylord  
*El Dorado County*

Dave Hanson  
*Sacramento Municipal Utility District*

Shelley Janek  
*El Dorado County Resource Conservation District*
